Mr. Steven Nagy and the Knight of Columbus Marrow Team
Knights of Columbus Council 4504
1034 Jeannette Ave.
Union, NJ 07083

Dear Steven and Team,

Thank you so much for sponsoring your successful marrow drive on Sunday!

Your hard work and the hard work of your group helped us to recruit 6 precious donors for patients in need! You also helped to raise funds to help future recruitment. The total recruitment donations were \$50.00. With every additional marrow donor, thousands of patients are receiving a better chance of finding a match. Your drive also helped us educate and build awareness about the life-saving benefits of joining the Be The Match national registry.

We truly hope you enjoyed sponsoring your drive. Please contact us if you find that there are additional opportunities for us to work together.

Thank you once again for being an important partner in our mission to save lives through marrow transplantation. Through your generosity, time and commitment you give hope to all patients and their families.

Sincerely,

A handwritten signature in blue ink that reads "Kathy Young".
