UNION, NJ

October, 1995

Grand Knight's Column

Ernie Santorelli

October has arrived and the fall season is among us. As members of the Knights of Columbus, we have plenty to cheer about. This is a special time of the year: our climate is much cooler, the leaves will be changing colors and eventually fall off the trees. Our children

are back in school, and Halloween is around the corner: soon our streets will be filled with ghosts and goblins, princes and princesses.

October brings a brimful of events. We begin and I encourage you to attend our first Friday mass which is held at our council home. The Columbian Club is hosting an Octoberfest, and our golf outing date has been set. October is right to life month, therefore we will offer roses for life at both St. Michael's and Holy Spirit Church. Our Chinese Auction is scheduled for Thursday, October 20th, and of course our annual Halloween Party will close out the month. I invite you all to attend these events and support our council as best you can.

Those of you who have recently become members of Union Council 4504, I welcome you and I encourage you to attend and get to know our family. If you would like to get involved with any affair, please contact our Program Director: Past Grand Knight Dominick Clementoni, (908) 688-3619.

As members of the Knights of Columbus we share a special moment in our lives, we are celebrating the 100th year of the Knights of Columbus in the State of New Jersey. Also, Pope John Paul II will be arriving this month and will lead the Knights of Columbus families and others in a prayer service to be held at Yonkers Race Track. I can't begin to express the excitement that this historical moment brings to us all. Even if we all can't attend the prayer services, for a short period of time we can forget about the evil that surrounds our society and all the hatred that has divided us. For a brief moment we all can come together and pray for ourselves, our children, our future and for mankind that some day our society can once again come together and live as all of God's children. Indeed we have plenty to cheer about.
