## PILGRIMAGE FOR PEACE

### TO WILLIAMSTOWN SUNDAY, SEPT. 19th

On Sunday, September 19th, the Catholic Activities Committee will sponsor a family bus ride to Williamstown, New Jersey to participate in the State-wide "Pilgrimage for Peace".

The Council members will join with their brother Knights from every Council in the State, to march through this south Jersey town reciting the Rosary. What better opportunity to express our thanks to God for all His gifts, and to pray to Mary the Mother of God to bring peace to this troubled world, than through this impressive public demonstration.

It is not too often that a social event and a religious one are combined at the same time. Although non-members and ladies are not permitted to march, they are invited for a day of relaxation, and to participate if they wish in the other ceremonies held at St. Mary's prayer garden. As in the past years you are invited to bring your picnic lunch.

Bus transportation from the Council home will be provided at NO CHARGE to you. Liquid refreshments will be available on the bus. The buses are scheduled to leave at 10:30 A.M. In order that we have adequate space for all member and their families, we ask that you contact the Catholic Activities Chairman, Frank Gillick, as soon as possible for reservations. Telephone MU 6-4486.

### COUNCIL PERSONALITIES

Our Council personalities this month are familiar figures around the Council, and even more so to those of us who enjoyed the facilities of the snack bar throughout the summer months. Joe Bizzaro and Marty Farrell, co-managers of the snack bar for the summer season, have done an excellent job seeing to the refreshment needs of ourselves and our families. We are especially indebted to them for their patience and understanding with the horde of children clamoring for jaw-breakers, sugar babies and other goodies throughout the day.

Handling youngsters and teenagers is not new to either of these men, as both of them are teachers by profession at Union High School.

Marty Farrell, who joined Union Council in 1957 has been an active member in the council as a barten-

der and also worked on the Youth Activities Committee.

Marty is married to the former Edna Spirito, and is the proud father of 4 children, Martin, 7 years old; Susan 6; Jo-Ellen, 4; and Ann, 1 year old.

Joe Bizzaro, a member of the Council since 1958 is also active as a bartender, and this year is serving as a Director of the Columbian Club. Joe too, is a teacher-coach at Union High School. He is vice-president of the High School Civic Association, a member of the New Jersey Track Officials Ass'n., and many other organizations. He also serves as Lector and Commentator at St. Michael's Church.

Joe is married to the former Pam Partiss and is also the father of 4 children, Beck Ann; Michael Joseph; Robert John; and Jan Marie.

Congratulations brothers — and thanks — from all of us, for the fine job you have done.

### WHICH ONE ARE YOU??

Some members keep their Council strong  
While others join, just to belong.  
Some dig right in . . . some serve with pride,  
Some go along just for the ride.  
Some volunteer to do their share,  
While some lie back and just don't care.  
On meeting nights some always show,  
While there are those who never go.  
Some always pay their dues ahead,  
Some get behind for months instead.  
Some do their best . . . some build . . . some make,  
Some lag behind, . . . some let things go,  
Some never help their Council grow.  
Some drag . . . some pull; . . . some don't . . . some do.  
CONSIDER . . . . . WHICH ONE ARE YOU? ?

### Coming Events

October 17th we will hold our Annual Communion Breakfast, following the 8:05 Mass at St. Michael's Church. A prominent and outstanding speaker will be on hand to address the membership. Tickets are now available from the Catholic Activities Committee.

Tuesday, October 26th at 8:00 P.M. in St. Michael's Church, we will hold our first Living Rosary. A Rosary Board has been posted in the Council. We ask all those interested to sign their name alongside one of the beads on the board.

## Chaplain's Corner

Rev. Joseph F. Driscoll

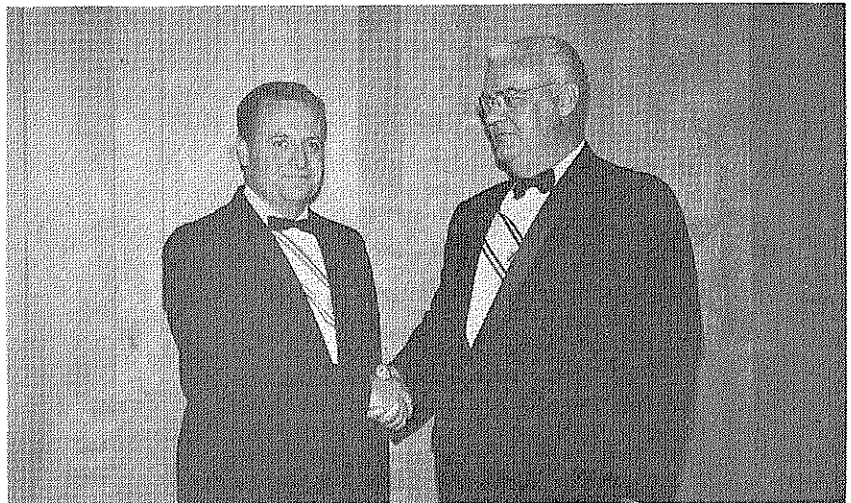

The term "Ecumenical Movement", indicates the initiatives and activities planned and activated according to the various needs of the church and as opportunities offer, to promote the Christian Unity. Based on this definition the individual Knight wants to know, "What am I supposed to do about it?"

We want him to know that what he does about it is the most important factor in the success of the movement. When ecumenism takes hold at the grass roots of the church, that is the individual knight and his individual council then will the flame that the Holy Spirit has kindled spread and flood us with the warmth and light that will unite all followers of Christ.

The beginnings are simple. Are your relations with fellow Catholics based on charity? Then does your non-catholic Christian neighbor have an example in you of the humility of the dying Jesus as a radiance that will draw them to seek to share your Christian joy.

The follow-up meetings with non-Catholics at your Bishop's direction can only come when we have prepared ourselves personally in Christian renewal, and then so many of us will be seeking this activity with the help of the Holy Spirit.

There is but one Catholic activity demanded by the Council, "Renew yourself completely as a Catholic, Brother Knight, so that the world may see in you another Christ".

Grand Knight Warren Hehl congratulates George Sheridan faithful navigator of John Fitzgerald Kennedy Assembly.

## Grand Knight's Message

B. Warren Hehl

The new Council year 1965-1966 now seems to display itself before us. In past years we have come a long way to establish the council and facilities as they now exist. This effort unquestionably was fostered by the activities of the entire membership as it has grown over the years. We have not in any sense lost sight of ambition for future activities and we feel this ambition is so spirited that the coming year will be as successful as the last one that we have experienced.

Plans have already been formulated for many activities, and we sincerely hope that you as an individual will seek to participate in these activities. We must also broaden our scope and make it a positive duty, that when a member dies, is sick or in distress, to aid him in every manner possible. It is further our duty, particularly for the officers and committee chairmen, to attend funerals of close relatives of members of our council, and it is hoped that the general membership would, when the opportunity presented itself, attend with us. You will remember that we can only be known in this municipality, in the State or in the Country, by the demeanor that we display to our fellow men.

I hope you will take it upon yourself to be at least one block in building the pyramid of our success in the future, and I am confident that with your continued cooperation we will be able to say at the end of this council year, as we have in the past, that we are proud to be members of this outstanding organization.

It is also extremely important that at every opportunity you display to your Brother Knights and their families that degree of Knighthood in your activities, that would represent the past experience of being a gentleman in every respect. I should further admonish you that if you have nothing to say good about a Brother Knight, please withhold any such statements, but if in any way you may praise your Brother Knight, please make this a policy which you will display in the future.

I ask, that you, as an individual member, not hesitate to call me when you feel you have an idea or a suggestion which may aid us in the better disposition of our destiny in this order.

## SPORTS

### SOFTBALL

The Union Council softball team ended their season this year with a 9 and 3 record, which resulted in a three way tie with Clark and Linden Councils. In a 2 game play-off, Clark Council won the league championship.

This is the second year that Clark played in the league, and the first year for Kenilworth and Linden Councils. The league this year consisted of 7 teams, and the standings were as follows for the regular season:

Team	Wins	Losses	Tie
Clark	9	3	—
Linden	9	3	—
Union	9	3	—
Hillside	6	5	1
Kenilworth	5	7	—
Dean Gesner	3	8	1
Elizabeth #253	0	12	—

Our congratulations to league president Gerry Petrucci of Union Council and Secretary-Treasurer Gene Andrakite of Hillside for the fine job they have done in organizing and expanding the league. Already several other Councils in the area have asked to play in the league next year.

Proceeds of the two two-night double headers were turned over to Elizabeth Council #253 to sponsor a boy from Elizabeth area to Camp Columbus.

### GOLF

The first annual James A. Walsh Golf Tournament held on Saturday, July 10th at Valley View Golf Club, was a huge success judging from the reactions of the 50 plus men who participated in the outing.

Our thanks to Harvey Lewis and his committee for the fine job of organizing the tournament.

The Memorial Trophy was awarded to Bob Caesar and Bud Daly for scores of 76 and 77 respectively. Adrian Burke played a neat 79 for the 18 holes doing the last 9 in 36. The Memorial Trophy was presented by Brother Ronnie Walsh, the son of our late and beloved Brother James Walsh, at the dinner following the tournament.

Our thanks to Grand Knight Warren Hehl for his very fine job as master of ceremonies, and to Walter Holderlin and his kitchen committee for the usual fine meal they served.

The members of the Golf Committee would like to express their thanks to all of those unnamed brothers who helped make this day such a success. It was a day that was proper and fitting in memory of Jim Walsh, a wonderful gentleman and Knight, who was loved by all who knew him.

## COLUMBIAN CLUB NEWS

With the summer drawing to a close we in the Columbian Club begin to look forward to a busy year, not only because of the many affairs planned by the Council but also a great many outside affairs have already been arranged, and there is a great deal of work to be done for each of these. As you may already know, these affairs are our main source of income which is used to reduce the outstanding debt on the Council home, and to make the necessary improvements in the building and grounds for your comfort and pleasure.

The operations end of your Council is a tremendous business, and takes a great deal of time and energy on the part of a few men most of whom are officers and directors of the Columbian Club. Each of you, as a member of Union Council is also automatically a member of the Columbian Club of Union Council, and as such, should take an active interest in the business affairs of the club. Although only the officers and directors of the Columbian Club have voting privileges on all issues, many of you may have ideas and suggestions that will be of great value to us, and to the Council as a whole, and we urge you therefore to attend the monthly Columbian Club meetings which are held on the fourth Thursday of each month.

One of our biggest jobs any time, is staffing our cocktail lounge. You needn't be a professional bartender nor even a good amateur, we only ask that you be able to give one night a month of your time to work with an experienced man in what we hope will prove to be a valuable training program. The job is not as difficult as it may seem, and a great deal can be learned in a short period of time. There are many other varied and interesting jobs in the Columbian Club that may interest you, and certainly your assistance will be greatly appreciated. Why not look into some of these opportunities to help your Council and yourself, come out to the next Columbian Club meeting, on Thursday, September 30th. We'll be glad to see you, and talk over some of the many ways in which you can help your council to grow.

## Knight of the Month

September

FRANK VOLLHERBST

## Fraternal Activities

A true Knight of Columbus possesses many noble attributes which are pleasing to his God. Foremost among these is a charitable heart manifest in the love of his brother, both in life and in death. Of the many duties required of a serious member, one of the most important is his attendance at the wake of a deceased brother. For many, the natural abhorrence of death, makes this an unpleasant task. Nevertheless, in charity we have a two-fold obligation to our departed brethren. First we owe them the benefits of group prayer, and secondly, their families are entitled to any solace we may provide. It is a very inspiring sight to see a large group of Knights at the bier of a fellow-knight. Conversely, it is equally distressing and a flagrant violation of our fraternal promise of charity to see but a handful of men representing the thousand members who should rightfully be present. Brothers, it is your moral responsibility to make every effort to attend these wakes. I assure you that the personal gratification derived from such a gesture of fraternal love will be sufficient reward.

## PUBLIC RELATIONS

Your Public Relations committee is back in action again, and we hope to be able to bring you all the news possible pertaining to the affairs and business of your council.

Once again we would like to encourage each of you to work with us, by keeping us informed on items of interest to the general membership. It is not necessary that you write an article, but rather a brief note relating to the event or happening, and we will take it from there. We ask that you indicate your name and phone number on any material you may give us, so we can contact you for clarification of information if necessary. For your convenience again this year, a folder has been attached to the bulletin board where you can leave your material.

We would like also to receive your ideas and suggestions, especially as they pertain to our council publication *The Knight Digest*. Many of you have had good suggestions in the past, which have proved to be very helpful in bringing you the membership, the news that you want most.

This year we are discontinuing the practise of sending each member the monthly flyer or calendar of events, because the same information is contained in the Calendar found in the *Digest* each month. We suggest that you cut out the calendar from each issue and keep it handy for easy reference.

## Bowling Chatter

The Tuesday Night House League will begin their bowling season on September 7th at 9:00 P.M., at the Four Seasons Lanes located at Chestnut Street and Rt. 22 in Union. The league has been expanded to 16 teams this year, and the bowlers have been assigned to the respective teams. Team captains will be selected by the individual team members the first night of bowling.

The league officers this year are: Matt Simon, President; Don Spriet, Vice-president; Jack McMahan, Secretary; and Rich Bachefski, Treasurer.

The Wednesday night "A" league has been expanded to two teams this year and will bowl at Garden State Lanes located just off Mill Road in Union.

Questions concerning either league should be referred to Brother Hank Skarbek until such time as the season gets under way.

Our Youth Bowling Season will begin on Saturday, September 11 at 9:00 A.M. at the Four Seasons Lanes. All children between the ages of 10 and 15 are invited to join the league. The season will run for approximately 28 weeks. It is anticipated that close to 100 children will participate in the bowling again this year, and we ask that any of you who may have a few hours a week to give to our youth, lend a hand on this committee.

Special attention will be given to all beginners by an A.B.C. sanctioned instructor.

## Six Point Message

Once again we begin a new year full of activity at Union Council, under a new administration. We in Union Council have enjoyed being the outstanding council in the State for the past few years, thanks to excellent leadership, and all out cooperation from the membership.

This year as in the past, your Six Point Chairmen intend to see that we maintain our high standards, and keep Union Council "second to none". We are counting on your continued cooperation and support, which is the key to the success of all of our anticipated endeavors.

As your new General Chairman, I would like to encourage each of you to attend your council meetings regularly, and to participate in the affairs of the council. I invite you also to take an active interest in our various committee functions. Many hands make light work . . . help share the load, and share in the growth of YOUR COUNCIL.

Don't just be a Knight, be an active Knight.

PETE GENOVA  
General Chairman

## Athletically Minded

All those Brothers who are interested in organizing, participating in, attending, or in some other way contributing to the success of our Council's athletic program during 1965-66 are urged to contact Rich Bachefski, Athletic Chairman, by phone: MU 6-8419; by mail: 300 Martin Rd., Union; or by leaving a note at the Council home.

Many ideas and suggestions are needed in time to allow for both the planning and preparations that are necessary for a program which will encourage active participation. We have already received a suggestion to form a Council basketball team from Marty Farrell, Union High School's basketball coach. Any member of the council who is interested in managing or playing on the team should contact me through any of the means listed above as soon as possible.

Plans are already being made for two events in the very near future. Another golf outing will be held on October 10th, and again Harvey Lewis has volunteered to handle the necessary arrangements for us. Contact Harvey at any time if you are interested.

We want to remind all baseball fans and MET enthusiasts, to keep an open date for a baseball bus ride in the near future. Details will be announced at the regular council meetings.

—:—

## DON'T FORGET

As of this writing all travelling cards should be dated September 30th or later. Brothers in the arrears are faced with 'ipso facto' forfeiture of membership for non-payment of dues.

It is important to note that as of October 1st, ALL travelling cards should be dated December 31st, 1965. Dues for each quarter of the year are normally due the first day of each quarter for the following three month period.

The term 'paid up member' is all too often misunderstood, and it can best be explained by remembering that the date indicated on your travelling card MUST be subsequent to the present calendar date.

You can help yourself and your council by paying your dues as they become due, or better yet if at all possible, on a yearly basis. Your Financial Secretary Al Dietlein is available before and after all regular council meetings for your convenience.

## SWIM CLUB DOINGS

The second season of the Swim Club is all but over, and we think you'll agree that many improvements have been made. We strived this year to bring you bigger and better activities for the adults as well as the children of the membership, all of which were well received.

We are indeed thankful for the volunteer services of Miss Louise Zilka, who directed the story telling classes and other games for our small fry. Thanks to her, many of the mothers were given an opportunity to get in the swim of things for a while, while Louise kept the children busy.

Louise, a sophomore at Newark State College, resides with her parents at 2537 Allen Ave., Union. Working with children is part of the required training in order for Louise to continue her studies toward becoming a teacher, and we feel she has certainly demonstrated the patience, understanding, and ability to handle children of all ages.

A great deal of thought went into the selection of the chairman for the adult activity program, and we unanimously agreed that we could find none better than that zany, impromptu, colorful, unofficial master of ceremonies — Ed Stonack. For a guy who said "I don't know nothing about this type of thing," Ed certainly came up with a successful program. We hope to be able to continue these activities, if possible on a more expanded basis, in the future.

It is through programs of this type that we can build a stronger unity among our members, and develop a bigger and better family swim club.

Mr. Spiotta, our pool director, also did an excellent job, not only in the operation of the pool itself but in directing other activities that had a great deal to do with the success of the season. His work with the youth in expanding their swimming abilities opened new avenues of desire for many of them. The small fry swimming lessons, under the capable direction of Mona De Filippo met with huge success. Thanks to Mona, many of us will now be able to enjoy the facilities of the pool a great deal more, without the constant vigilance required over children who are unable to swim.

All of these activities have certainly led to a more enjoyable summer for most of us, but like in any other cooperative venture, work must always be done. Early in the year we asked for your help in cleaning and fixing up the pool and the surrounding area, and now once again we need your help. Although the amount of work involved is not as much as

there was in the spring, preparing the pool for the winter months is a most important task. We must protect our investment, yours and mine, and for that reason we look forward to your support at our work parties later in September. We can realize a great financial saving if we undertake this task ourselves. Won't you do YOUR share to protect YOUR INVESTMENT? Sign up for the work parties now. See any member of your pool committee.

## SUPPORT NEEDED

For the past two months your Council officers and newly appointed Six Point Chairmen have been busying themselves planning the activities of the Council for the 1965-66 fiscal year, and from what we know at this writing it looks like another banner year for Union Council.

Your committee chairmen look to you for assistance and support in their many endeavors and encourage each of you to participate actively in the affairs of your council.

Your council officers too, look forward to your participation in the business affairs of the council. Your ideas, suggestions, even complaints, can only be acted upon if brought to the attention of your officers. Discussion is healthy and stimulates growth, which should be reason enough for each of us to express ourselves openly.

Plan now to attend the council meetings regularly — make it a point to bring a brother Knight with you. For the benefit of our many new brothers and transfer members, our regular council meetings are held on the 2nd and 4th Mondays of each month. Mark these dates on your calendar now — make that extra effort to attend your meetings.

## Anniversary Dance

Here we go again, about to begin our 1965-66 social season, and the Council Activities Committee have quite a few affairs in store for you.

We will begin our "social season" with our Anniversary Dance on Saturday, September 11th, beginning at 9:00 P.M. in the council hall. Dance music will be provided by Buzz DeJohn and his Rythmaires.

Tickets for the dance will go on sale at the regular council meeting of August 23rd, and as in the past, will be on a first come — first served basis to Council members. Any unsold tickets will be available through the ticket chairman Herb Kay, and can be purchased at any time at Kay's Hardware Store, located on Stuyvesant Avenue.

Make your plans now to join us for a gala social season.

## PUBLIC DECENCY

"Obscene material is an important contributing factor in juvenile delinquency. This kind of material exposes young minds to temptation, stimulates the most primitive feelings and impulses, and leads astray in thought and behavior. Indecent photographs of women also cause teenagers to feel that women are not to be respected as persons, but as luxury prizes distinguished chiefly by sexy attributes, rather than by any ideal of womanhood."—Philadelphia psychiatrist, Dr. A. M. Ornsteen.

The cancer eating at the vitals of a potentially great society is not dormant. It is malignant.

We are now actively campaigning for the passage of BILL A-768 in the New Jersey Legislature. This bill if passed by the Assembly, the Senate, and signed by Governor Hughes would become law, and would define obscenity in the law known as: The Revised Statutes of the State of New Jersey, Chapter 115, INDECENCY AND OBSCENITY, Section 2A:115. Those who would be found guilty in a court of law for violation of this law would be subject to penalties of: not more than a fine of \$1,000 or three years in prison, or both in the case of a misdemeanor; and not more than a fine of \$2,000 or seven years in prison, or both in the case of a high misdemeanor involving a child under 18 years of age.

The New Jersey Assembly on May 24, 1965 by a 55-0 unanimous vote of those present passed Bill A-768 and sent it to the New Jersey Senate. Five of the sixty members of the Assembly were absent and/or did not vote for Bill A-768.

Our 21 New Jersey Senators did not move on Bill A-768 on May 24, 1965, thereby insuring another profitable summer business boom for the Perversion for Profit Racket at the expense of the children of New Jersey.

WRITE NOW: Letters to the Governor and the 21 N. J. Senators will bring results. Present a few of your own comments and ask for an immediate session of the N. J. Senate to debate Bill A-768 as the first order of business of the New Jersey Assembly and without amendments.
