As we move into November, the temperature is getting colder and the days are getting shorter. The holiday season is rapidly approaching.

I would just like to back track a little bit to September. Unfortunately our picnic was rained out on it's scheduled day of September 16. Even early on the 17th the weather looked like it may have been a little shakey. But by 1:00 pm the sun came out and it turned into a beautiful day. I think everyone had a good time with plenty of fun, food and drink. Also on the 17th the Council held a blood drive. Fourty-three pints of blood were donated which is probably as much as has been collected the last two years combined. The Past Grand Knight's Dinner was also quite a success. Seeing P.G.K. Mike Carr in a tuxedo, probably was worth the price of admission. The Council Bingo raised approximately \$1,000 to go into our scholarship fund. I would like to thank the chairmen and their committees for a job well done on each event, also thanks to all the members for supporting us thus far this year. I personally could not be any happier for the support that the Council has received and I hope will continue to receive. I am also happy to report that our Pro-Life Activities are also off to a good start. The recent March and Rally in Trenton was really an experience for me. We had a group of about 70 people come down with us. The total crowd was estimated at about 10,000. A chill went up and down my spine as a crowd that large, recited the Pledge of Allegiance to the Flag. Also as part of our Pro-Life Activities the Right to Life Rose Sale was conducted at St. Michael's and over \$900 was raised for our Pro-Life efforts, and once again I would like to thank everyone who took the time to collect and/or donate to this cause.

I would now like to turn your attention to November. Our First Friday program will continue on the 3rd with Fr. Ron Rozniak as our Celebrant. On the 18th we will once again have a Council Bingo at the Boys Club. Please come out and help work or please try to attend. On the 20th we will hold a 2nd degree and on the 22nd we will hold a 3rd degree. On the 19th, we will have our Annual Memorial Mass for our deceased Brothers. The Mass will be at 9:00AM at St. Michael's I feel there is no better way to remember our deceased Brothers, so please try to attend.

On behalf of my wife Debbie, my daughters, Kristin and Jillian, and the Council Officers, I wish you all a Happy Thanksgiving.

November, the month of All Saints and All Souls, is the time of year when the Church turns its attention to the Last Things: Heaven, Hell, Purgatory, Death, and Judgement.

How many times have you heard people say, especially in times of great suffering: "I don't believe there's a Hell after you die; I believe it's Hell right here on earth!". How many times have you said it? No matter how many times you've heard it, no matter how many times you've said it, it's WRONG! If Hell is right here on earth it's a Hell of our own making: it means that we've shut God out of our sufferings, it means that we deny that He cares enough to be with us in our need. Hell is separation from God: suffering in this world borne with faith, hope, and love draws us into the Heart of God- 'Jesus said to his disciples, "Whoever wishes to come after me must deny himself, take up his cross, and follow me"'. (Matthew 16:24) As we bear our crosses of suffering, of disappointment, of weakness we walk in the way of the Lord. There is nowhere that we bear our crosses that He has not borne His before us.

I do not mean to make light of suffering. Bearing one's cross is never easy: that's why it's a cross. But this often difficult and burdensome way we walk is not the road to nowhere, not is it a journey without meaning. It is the way to Heaven, indeed the only way to Heaven: it's the way of Jesus.

To all my Brother Knights and their families I wish you a Happy and Blessed Thanksgiving.

GOLF OUTING

Saturday, October 14 was a picture-perfect day for our Autumn Golf Outing at Apple Mountain Country Club in Oxford, New Jersey. The early morning sun drenched the day and the reds, rusts and golds of leaves in the valley below the course gave a breathtaking back drop for our outing.

Fourteen foursomes took places in order to tee-off-thus began the game. The recording of birdies, pars, boggies, eagles and double-digits on the scorecards followed the activity on the links.

Five and one-half hours later, the 55 participants enjoyed lunch. During this time awards and "goodies" were presented based on the individual scores of the day. On a course of par 74, the scores ranged from 79 to 130...or thereabout!!!

And so, all returned home after a "super" day in all ways at Apple Mountain.
