COUNCIL HONORS TWO MEMBERS

Oldest and Newest Members Honored

The annual Christmas dinner meeting held on December 7th, was a memorable night for those in attendance, highlighted by the presentation of awards to two of our brother Knights.

Alex Grabowski
1000th Member

Joe Halbing
52 years a Knight

On the new member side, Grand Knight Frank Dickerson announced that we had recently processed our 1000th member since the inception of the council in 1957.

Mr. 1000 is Alex Grabowski of 981 Braun Terrace, Union, sponsored for membership by brother Stan Konicki.

Alex who is a communicant of St. James Church, Springfield, is married and the father of two children. He is employed as a toolmaker with the Radio Corporation of America in Harrison. Alex took his major degree at the council on December 5th.

Congratulations Alex — — and welcome to Union Council.

Also honored at the dinner was Joseph Halbing of 2132 Van Buren Place, Union, for his 52, (yes, 52) years as a member of the Knights of Columbus. Joe, who is now 75 years young, (and a familiar face at every council meeting), joined the Knights in 1912, at McGivney Council #29, in Danbury, Conn., and has been a fourth degree member since 1917.

A resident of Union for 32 years, Joe was employed by the Ford Motor Co. in Edgewater, before his retirement from there after 34 years of service.

He is a communicant of St. Michael's Church, and has been a member of the Holy Name Society for over 30 years. He is also a member of the Ancient Order of Hibernians, Division 3, of Newark.

Joe was presented with his life membership card in the Knights of Columbus by Grand Knight Dickerson.

CATHOLIC ACTIVITIES

As chairman of Catholic Activities I would like to thank all those Brothers who have contributed their time and energies to make our functions in the past year the success that they were. The spirit of cooperation has been evident in many, and I am sure we all feel better for it.

With the continued cooperation in the new year, advancements will be forthcoming in our spiritual life. Let us strive to be more Christ-like, a little at a time, day by day. If we live in 24 hour compartments, taking one day at a time, the task will not be insurmountable, and the joys will be great.

Give it a try in '65.

KICK-OFF 1965

Well Brothers, we did it, we greeted a New Year, a year that with the help of God we hope will be as good or better than last year. We have been most fortunate, both ourselves and the Council, we truly have had a good year. So, with this in mind let me tell you what you can expect in the way of social fun for 1965.

Our first affair will be on February 27th, (which gives you a chance to square up with Santa), and it will be Hawaiian Nite. I don't want to tell you too much about our plans, to surprise you, but we hope to make it one of the best. Since Lent starts the following week on March 3rd, and Easter Sunday is April 18, we thought that on March 28, a Sunday afternoon we would hold Monte Carlo day. Remember last year, — terrific wasn't it? Since you are now seasoned, professional gamblers, we will have to watch for the "ringers" and "card sharks".

On April 24 we will hold our Grand Ball, this will be the last dance of the fiscal year. The affair will be held in the Council hall and will include a dinner, set-ups, and maybe we can squeeze a cocktail hour in too. We hope so.

So there are the dates, keep them in mind, and we will keep you informed as to further details. With each affair that has been held, we learn much and continuously try to better the next one. As the politician said, "just wait 'till next time".

SKATING PARTY

Under the direction of Don Betz, our Youth Activities committee has finalized plans for an afternoon of skating pleasure at South Mountain Arena, West Orange, on Saturday, January 30th, from 2:30 to 5:30 P.M.

Bus transportation will be supplied, and will leave the Council home at 2:00 P.M. sharp, returning approximately 6:00 P.M. Admission price will be \$1.50 including transportation. Skates may be rented at the Arena for an additional 50¢.

All boys and girls age 8 through 16 are invited, as well as any adults who may wish to accompany the children.

- A new assembly is about to be formed in this area. Union Council will be part of this new assembly. Further news will be forthcoming in regards to the formation of the assembly.
- The exemplification of the Fourth Degree will take place on February 28th, 1965 at the Robert Treat Hotel in Newark.

Christmas Dinner Meeting

The annual Christmas dinner meeting of December 7th was an affair that will be long remembered. Thanks to the Fraternal Activities committee, and the kitchen committee, the dinner served was excellent, and well organized.

Following the presentation of awards by Grand Knight Dickerson, entertainment was provided by the Mellow Knights, Chapter #4 Barber Shop Quartets of America. The group included our own Art Hertling, Larry Freund, Bob Burns, and Frank Blank. A second quartet known as the Main Street 4, also entertained the membership.

Of course, Santa Claus arrived in time to give presents to the members and lead the membership in song(?). We tried hard, but after the fine singing of the quartets earlier in the evening, we must concede this is one thing we're not good at.

The Mellow Knights Barber Shop Quartet.

One Nation Under God

On December 3rd, 1964, the Union County Board of Freeholders unanimously approved flying the 'One Nation Under God' pennant beneath the American flag, but at the same time questioned whether the board could use public funds for such a purpose.

Less than 24 hours after the approval of the board, Grand Knight Frank Dickerson presented the first of 12 pennants to be donated by the council, to Freeholder Matthew J. Rinaldo. The pennants will be flown with American flags over 12 county buildings, the first of which was flown in front of Union County Courthouse on Monday, December 7th.

Freeholder Matt Rinaldo, a member of Union Council, is largely responsible for the action taken by the Board of Freeholders on this issue, as well as on the prayer in schools issue. Matt if you remember, was our Knight of the Month for November.

PUBLIC DECENCY

In order to better understand the problem of morally objectionable literature, a film and talk was presented by Dr. Matthew McCue at the Council's second meeting of November.

Dr. McCue, a dentist practising in Elizabeth, is the father of five children. He is known for his active interest in civic affairs and is the founder and head of the Citizens Cooperative for Decent Literature, and a member of the Legion of Decency Speaker's Bureau.

Before his talk, Dr. McCue presented a sound film titled "Pages of Death" — a story, based on an actual crime, that depicts the slaughter of an innocent child by a sixteen year old boy, stimulated to his crime by the exposure to obscene magazines and pocketbooks filled with the kind of filth that rots minds and bodies and souls.

Dr. McCue stressed the importance of every parish to have formed and functioning an active zealous committee to carry on a campaign for decency in literature. He discussed the effective results obtained by parishes in their decency programs. Dr. McCue concluded his presentation with a question and answer period.

We are very proud and fortunate in having our brother Knight Dr. McCue contribute so much time from his already busy schedule, to show us by his example how to help in the protection of the morality and well-being of all the children of our neighborhood.

Knight of the Month

Our Knight of the Month for December is Brother Pat Gethins, a familiar figure around the council home known to most of us for his easy smile and his Irish wit.

Pat has taken part in many of the council functions and most recently served on the Fraternal Activities committee. He is presently on the Pledge committee and is also one of our regular bartenders. More frequently than not you will find him behind the bar, playing the role of the professional mixologist, especially on Friday evenings. Pat says he prefers Friday nights because he likes to keep busy and enjoys people.

Congratulations Pat, on being selected December's Knight of the Month.

Grand Knight's Message

Frank J. Dickerson

My Brother Knights:

The first half of our Council year is already at an end and with the end of December comes the time for summing up; for counting our blessings and thanking God for them. Here at Union Council we have much to be thankful for. God has blessed our efforts in the first half of the year and continuing progress has been made in the programs outlined for this year.

As in the past our Council Activities program has been well planned and our functions well attended. As you know from each issue of the Knight's Digest, it is apparent that our Public Relations group is doing an excellent job. Our membership is on a steady increase and our exemplifications of the degree work continues to be one of the best in the county. The Fraternal Activities group had a banner success at the functions directed by them to date. Youth Activity again has fulfilled its program. To these chairmen and to Brother Jim Gardner, Six Point Chairman, I offer my sincere thanks and congratulations. To the Brothers who have aided these men and to all who have supported our affairs, we also extend our sincere thanks.

As you may have noticed our Catholic Activities group was not mentioned above. To this group is given the most difficult of all assignments. To date this year, there has been a marked increase in attendance at our spiritual functions and this group has worked hard to plan for your spiritual benefits. However, in proportion to our other activities, attendance at these functions is certainly below par. In the next few months the most important Catholic Activities programs of the year, our Day of Recollection and Annual Communion breakfast will be planned. Let us really support the activities of this committee in the second half of this council year. Our Worthy Chaplain has continuously said that as Knights of Columbus we must be better than ordinary Catholics. We should then take advantage of the programs which will help us to achieve this goal. Our sincere gratitude goes to the entire Catholic Activities Committee and its chairman, and to our Chaplain for his guidance, instruction, and most faithful attendance to our programs, in the light of his busy schedule.

BUILDING FUND DRIVE

Does the word "expansion" make you wonder where the money will come from? Well brothers, the answer is simple — from you and I — through the Building Fund Pledges.

What is the Building Fund? Why do we need it? Not too long ago, when our council was in its infancy, like any other new organization, we did not have our own meeting hall and as a result, over a period of years we were on the move throughout the Township, holding our meetings wherever possible. During these years of infancy, thanks to the foresightedness of the early officers and members of the council, the building fund was originated on a pledge basis, much the same as we present today. It was through these pledges, and the income received from them that our present facilities, which we all enjoy so much and can be very proud of, came about.

The pledge committee has arranged 3 methods of payment for your convenience. The pledges are as follows:

- 1 year pledge \$4.00 down \$8.00 per month
- 2 year pledge \$4.00 down \$4.00 per month
- 4 year pledge \$4.00 down \$2.00 per month

If you have not yet signed up, do so now. A pledge form can be found in this issue of the Digest for your convenience. Fill it out now and mail along with your check to: Building Fund Committee, K. of C. Council 4504, 1034 Jeanette Ave., Union, Attn: Harvey Lewis or Tony Shanz. Checks

COUNCIL HIGHLIGHTS

★ The Blood Donor drive held on November 15th was a huge success. 114 pints of blood were donated. Thanks to all our donors, for helping us in this worthy endeavor.

★ We have recently processed our 1000th member through the Council, and we're still growing strong.

★ The Pledge committee reports that pledges are still coming in, and an intensified drive is being set up for the coming year. Help is needed badly on this committee in order to put this drive over the top. If you can spare any time at all, and are willing to do a little talking, contact Harvey Lewis or Tony Shanz. Can you afford \$2.00 a month, to see your Council grow? ?

★ The expansion committee reports good progress is being made, but it is too early for a detailed report. Progress was slowed down during the holidays, however they are now under way again. Details will be made available as they are announced.

★ Union Council recently presented the Union County Board of Freeholders the first of twelve pennants, symbolizing the 'One Nation Under God' theme.

★ January starts a new year, and the calendar of activities is already full. Help is needed on many of the committees, if you are interested in assisting us, contact brother Jim Gardner at MU 6-3842.

COUNCIL PERSONALITIES

A chaplain must be many things to many men: comforter in hours of physical anguish, confessor in moments of spiritual disarray, consort in times of happiness. It is a lonely burden, this sharing of men's joys and sorrows. It is a burden that our chaplain, the Rev. Joseph Driscoll, has borne with a strength and dignity that is derived not from the cloth and collar, but from the inner fibre of the man himself.

In his more than a decade at St. Michael's Parish, he has shared many of our joys and sorrows. He has married us, christened our children, prayed at the gravesides of our loved ones. He often has reached beyond the sphere of the cloth to devote his precious few spare hours to some of us in our times of need.

More than a mediator between members of this Council and their God, Father Driscoll has been to most of us a good friend whose advice and counsel we have come to regard as nearly always sound and very often sagacious.

Rev. Joseph F. Driscoll

This man of great girth and huge heart came to us by way of Bayonne, where he was born and raised. St. Peter's Prep in Jersey City lists him as one of its alumni, as does Seton Hall University, where he prepared for the priesthood. His 1942 ordination was followed by an assignment as curate at St. Bernard's Church, Plainfield.

After 11 years in Plainfield, he came to St. Michael's where his influence was felt almost immediately—especially in the bachelor community. His organization of a senior C.Y.O. marked the first step in his persistent program of match-making, an activity that remains dear to his heart.

A man with almost a compulsive urge to be among the cognoscenti, Father Driscoll determined to get to know the prime movers in this community—the people who can do things and get them done. When he needed help, these were the people to whom he turned. And few could resist his forceful and persuasive entreaties.

In widening his circle of acquaintances, Father Driscoll has become one of Union's most influential clergymen. When the long-time pastor of Connecticut Farms Presbyterian Church retired some years ago, the Township Committee called on Father Driscoll to replace the minister in beseeching God's blessing at his New Year's Day meetings.

Although Father Driscoll's deep-seated compassion for his fellow men at times has been obscured by the popular image of his pointed ribbing and purposeful prodding, there is more to this man than his ample girth and his mirthful, mischievous smile might suggest. For the lines that crease in smile at the corners of his twinkling pale blue Irish eyes have often furrowed into the frowns that told us he cared.

—:—

SECOND TO NONE

The first half of our fiscal year is now behind us, and once again we as members of Union Council can look back on the many events of the past six months and proudly say, "we're still second to none". The many accomplishments of the Council, and the success of the many affairs held in the past six months has more than demonstrated that we have the workers and the support that is so very important to the existence and success of any organization.

The energies put forth by the officers and committee members in our behalf, has demonstrated the leadership we look for and rely upon to keep Union Council on top. The only remuneration we can give these men for their efforts is our continued support at the council meetings and other affairs. This is YOUR COUNCIL, and without your participation and support we cannot hope to accomplish our objectives.

Many matters of importance to all of us as members of Union Council will be discussed at the regular council meetings early this year. Plan now to take an active interest in the business as well as social affairs of your council. Remember—YOUR council can only be as good as YOU want it to be.

LOOK ALIVE IN '65 — — — BE AN ACTIVE MEMBER!

Knights of Columbus Emblem Designed in 1883

The Knights of Columbus emblem dates from the Second Supreme meeting May 12, 1883, when it was designed by James T. Mullen, who was the first Supreme Knight.

A quick glance at the emblem indicates a shield mounted upon the cross of Malta. The shield is that associated with a medieval knight. The cross of Malta is the representation in a traditionally artistic design of the Cross of Christ through which all the graces of redemption were procured for mankind. This, then, represents the Catholic spirit of the order.

Mounted on the shield are three objects, a mace standing vertically and, crossed behind it, an anchor and a dagger or short sword. The mace from Roman days is symbolic of authority which must exist in any tightly bonded and efficiently operating organization. The anchor is the mariner's symbol for Columbus, patron of the K. of C., while the short sword or dagger was the weapon of the knight when engaged upon an errand of mercy.

Thus, the shield expresses Catholic knighthood in organized merciful action and with the letters "K. of C.", it proclaims this specific form of activity.

The red, white and blue colors in the background of the Cross of Malta are the colors of our beloved country. As such, red is the symbol of stout hearted courage, of pulsing activity and a full measure of devotion. Blue is the symbol of hope, of calm tranquility under God and of confidence in the protection of our country, established under God. White is the symbol of mobility of purpose, of purity of aim and of crucible tried ideals to be carried out.

But there is another symbolism of color in red, white and blue. This is the ecclesiastical symbolism in which red becomes the reflection of the drops of Christ's redemptive blood shed on Calvary, and of the Martyrs' blood shed in defense of the Faith.

Red is then the symbol of Faith, of belief in Christ, in the Redemptive and in the mission of every man to spread the knowledge and love of Jesus Christ. White is the color of the Eucharistic Host, pledge of God's Eucharistic presence among men, of the infinite love God had for man and of the overwhelming affection which the God-man had for each individual. White is then the symbol of Christ-like charity. Blue is the color of Our Lady's mantle, in which she draped her beloved Son, through whom salvation came to a sinful world. Blue is then the symbol of Hope.

The Ecumenical Spirit

Many councils of the type recently held in Rome have occurred during past church history, bringing forth new doctrines and methods of worship to be accepted by the faithful. These changes, such as the establishment of the infallibility of the Pope, have improved, advanced and strengthened our religion under the guidance of the Holy Spirit. A few years ago it was the purpose of Pope John, and now his successor Pope Paul, to get together all Protestants, Jews, and Catholics on as many issues as possible, so we may unite in the name of Jesus Christ. With this vast number we would increase a thousand fold in devotion to God against the forces of evil.

Let's look at some of the results of these meetings at the Vatican. In Boston, Richard Cardinal Cushing joined the pastor in the Episcopal Church in prayer; Masons and K. of C. members have joined together in works of charity; Ministers of other faiths have been speakers at Catholic gatherings, and priests have appeared as principal speakers at Jewish Temples. In Holland, a Jesuit priest joined a Lutheran minister to marry a Catholic to a non-Catholic.

In the same way we accept progress in every day life, jet planes, stereo, and space travel etc., we must accept and adapt ourselves to the advances of our faith. To progress is a human need put in our nature by God.

What can you do to keep religion in its true perspective? Carry through in your worship the reforms passed on by your parish priest. As Knights be active leaders in the "new" church. Attend your council meetings regularly and become informed so you can teach your fellow parishioners, relatives, and friends how to better understand and take part in the modern Mass. In dealings with non-Catholics, treat them as brothers in Christ not as outsiders. As individuals it may seem a small contribution, but with each doing his share, it becomes a large influential group. Make the Ecumenical Spirit a fact, not an idea, by living it.

KIDS, KIDS, KIDS

An estimated 430 youngsters were on hand for the annual children's Christmas party on Saturday, Dec. 20th, anxiously awaiting the arrival of Santa Claus. The Great Edwards held the children mystified with his slight of hand early in the program.

Santa soon arrived to the delight of the children, with his bag overflowing with gifts for everyone. Naturally this was the highlight of the day, for children and adults alike.

Once Upon A Time

Once upon a time there were two men who had to explore a long dark cave. They knew beforehand that somewhere in the cave there was a deep pit they had to cross.

In preparation for their trip one bought a regenerative light and the other, to save money, bought a conventional flashlight.

Neither man knew how long the trip would take nor how far within the cave they would find the pit. Things were fine and normal until they became separated and lost. Both men realized they were close to the pit as the roar of the water drowned out their calls to one another — it was then that the conventional flashlight burned out.

And so it is with . . . INVESTMENTS versus LIFE INSURANCE.

THE CAVE IS LIFE

THE PIT IS DEATH

THE FLASHLIGHT IS INVESTMENTS
THE REGENERATIVE LIGHT IS LIFE
INSURANCE

WHICH LIGHT ARE YOU CARRYING???

YOU CAN HELP

It is the function of the Public Relations committee to keep the council membership informed of current and future activities in order that all projects and affairs of the council may be assured full membership support.

Our monthly publication, the Knight Digest, is our principal means of personally reaching the membership, who have the greatest stake in council affairs, and should be given first and continued notification of the doings of the council.

You can help us by keeping us informed on what you would like to read in the digest. Your suggestions and criticisms are welcome at all times. For your convenience we have attached a large envelope to the bulletin board in the entrance to the council home. Jot your ideas, suggestions, — even articles, — in the envelope and we'll take it from there.

We have received some suggestions in the past and we feel through them we have been able to bring you a better publication. We also anticipate increasing the size of our committee in 1965, in order to bring you more information about your council, as well as additional personal sidelights and comments.

We ask that you print your name and phone number on the note, so we can contact you if necessary for clarification of your comments or additional information. We will do our best to give you what you want.

Pictures of the affair are on the following page.

THANK YOU

My Brother Knights and Sir Knights:

I would like to take this opportunity to express my thanks and appreciation for the beautiful gifts bestowed on Mrs. Donnelly and myself at the Snow Ball Dance on November 28th. The affair honoring Past Grand Knight William Taylor and myself was arranged and planned beautifully.

I wish to thank the committee as I know the cooperation and the coordination that they must have in order to make the affair a success.

I also want to thank all the people who helped me during my term of office, a president must be able to rely on his committee. If it was not for the team effort and unity our affairs would not be successful.

Once again I would like to thank you and leave you with a slogan that we should adopt: Unity in action and progress must be our most important assets.

Faternally yours,

BILL DONNELLY

Past Columbian Club President

THE LITURGY AND THE SACRAMENTS

In the reform of the liturgy your Bishops have included the sacraments and the sacramentals. In the sacraments you encounter Christ, you bring Him your faith. You come away with His strength and His love to help you live better, work better, play better and do more for the world and those around you.

The Bishops say, . . . "the liturgy of the sacraments and sacramentals sanctifies almost every interest . . ."

All sacraments point to the Eucharist, the heart, the core, the food of your salvation. Where possible, the other sacraments will now be administered at Mass.

The other sacraments are related to the Eucharist as the fingers are to the hand — separate yet together.

When we receive the sacraments we give worship to God, through Christ who always acts in the sacraments.

Think of Christ as the sun whose heat and light gives life to all living things. The sun brings strength and nourishment to everything that grows. As it turns the earth green it fills the heavens with its brilliance and glory. Christ is like the sun. He lights heaven with the glory and worship He gives to His Father. The sacraments are like the earth's living things nourished by the sun. Christ's power is in them as well as in heaven. So, in receiving the sacraments we share in the worship the glorified Christ gives to His Father.

Are You A Member of The Knights of Columbus?

Charity is a prerequisite of every member of the Knights of Columbus and every practical Catholic, yet how many of us have taken an objective view of this virtue.

Too often we measure our charity by the size of our donation in dollars and cents. While the support of charitable programs is important, there is much more to the virtue of charity.

Justice and charity are often contrasted, yet they spring from the same root. Justice prescribes only the minimum obligations men have to-

ward each other. Human relations should not be limited to bare fundamentals, to giving our neighbor no more than he can demand, in strict justice as his right. The virtue of charity goes beyond justice and looks at the neighbor as a person to be respected, helped and loved. Charity is justice expanded to the fullest scope of human dignity. It includes kindness and unselfishness, but has a more universal range than any of these.

As brothers in the Knights of Columbus we must practice the charity we preach. This does not mean only in the council home, but in our every day living. Our actions as Knights of Columbus are indicative of the quality of our organization.

Past Grand Knight William Taylor holds watch presented to him by Grand Knight Dickerson on behalf of council membership. District Deputies Dennis Burke (left) and James Conroy (far right) hold plaques also presented to Taylor.

Past Columbian Club president Wilbur Donnelly accepts congratulations and gift of wrist watch from Club president John Picyk as Fred Vollherbst looks on.

Swim Club Meeting

Bill Stuart, president of the Columbian Swim Club announced that the ANNUAL MEETING of the swim club will be held at the Council home at 8:30 P.M., Friday, January 15th. All swim club members are requested to attend this one important general meeting.

Copies of the proposed by-laws have been mailed to members and these will be voted upon at this meeting. Three members of the swim club are to be elected to serve on the Board of Governors which also comprises three Union Council representatives who are appointed by the Grand Knight and three Columbian Club representatives who are appointed by it's President.

Financial reports on the expenditure of the \$75,000.00 bond money for the construction of the pool and facilities, and a report on the operational expenditures, along with a proposed budget for the coming year will be presented.

New tentative projects, including a substantial enlargement of the deck area, and the feasibility of a sun deck on top of the locker house, will be discussed.

This is your pool. Make it a point to attend this meeting.

Presentations Made

The Sno-Ball dance of November 28th, held in honor of past Grand Knight William Taylor and past Columbian Club president Wilbur Donnelly was a social success, as can be attested to by those in attendance.

Taylor and Donnelly were each presented with watches on behalf of the membership of the council, for the outstanding job they did in furthering the aims of our order and our council, during their term of office. The time and energies of these men expended in our behalf is immeasurable, and certainly the results of their efforts are known to all, and are not easily forgotten.

Cruise Along with Bill

Bill Stuart advises us that the SWIM CLUB DANCE will be held on Saturday, January 30 in the Council home. A cocktail hour will start at 8:00 P.M. Music and a floor show will be presented by the Fun-Aires, and a late buffet dinner will be served.

Seating will be by ticket purchase — 260 in the main ballroom, and 40 in the side room. Tickets are available ONLY to swim club members up to January 16th. From then on, any available tickets will be for general patronage. Tickets may be purchased at Kay's Hardware Store, 1344 Stuyvesant Ave., at \$3.00 per person.
