## Annual Swim Club Meeting — Jan. 18, 1980

The Annual Columbian Swim Club Meeting will be held in the Council Home on January 18, 1980 at 8:00 p.m. President Jack Kilian's wish is for all 425 Swim Club members to attend this meeting. He and the Board of Governors wish this to be a meaningful meeting with much input from the membership in the form of criticism and suggestions. Refreshments will be served after the meeting.

The Election of two Members to the Board of Governors for Three Year Terms will be conducted at this meeting. The nominating committee appointed by the President and chaired by Peter Martin have selected (after considering all members) William Renner and Frank Cosenza as the nominees for the two positions. Nominations of any aspiring candidate for the position will be accepted from the floor during the election.

Mr. Bill Taylor, Membership Committee Chairman, announces that dues for the 1980 Columbian Swim Club Season will be accepted for payment now. The dues are \$80.00. He is also issuing a plea to any Swim Club member that plans to "DROP OUT" to notify him as early as possible. This will give members on the waiting list ample time to make a decision on accepting a bid for membership in the Swim Club.

President Jack Kilian is also requesting "BIDS" on The POOL MANAGEMENT CONTRACT and the GATE ATTENDANT CONTRACT for the 1980 Season. All inquiries may be directed to Jack by calling 686-4504.

PLEASE ATTEND THE ANNUAL MEETING.

## Retired — Available?

We are looking for Brother Knights who would be available during the morning hours, someone who can and will offer their services as Pallbearers. Often, upon the death of a Brother Knight of our Council, the family request us to provide them if possible. We deem it an honor to be asked and that the family has placed such merit on the fraternal association we have formed with each other.

What greater tribute or act of charity can we so readily perform? Someday it may be your family making that request! If you are inclined to help in this request, please contact the G.K. or P.G.K. Bob Armstrong at 686-8548.

## Abortion Quotes to Ponder

"Is the fetus human? Research workers are quite anxious to hear from humans who have never been fetuses" (Cincinnati R.T.L. Bulletin)

"Abortion being allowed has brought so much hatred — for if a mother can murder her own child, what is left for others but to kill each other? You do not know what abortion has done and is doing to our people. There is so much immorality, so many broken homes, so much mental disturbance because of the murder of the innocent unborn child" (Mother Teresa of Calcutta) — "Life cannot be separated from God. Some, who worship at the altar of self, begin to speak of the destruction of self, begin to speak of the destruction of infants after birth and the termination of the elderly. The case will be made on economic and humanistic grounds. Some, who will tell us we write to often about abortion, may have time for reflection about that when they reach euthanasia age" (Chicago Catholic News) — "A government should never be so large that it cannot take time to alleviate the suffering of the very small and defenseless" (Senator Birch Bayh, addressing a federal bill to make it a criminal act to transport rabbits as bait for racing greyhounds) — "To do something is in every man's power" (Samuel Johnson).

## Success

Success is speaking words of praise,  
In cheering other people's ways,  
In doing just the best you can,  
With every task and every plan,  
It's silence when your speech would hurt,  
It's deafness when the scandal flows,  
And sympathy with other's woes,  
It's loyalty when duty calls,  
It's courage when disaster falls,  
It's patience when the hours are long,  
It's found in laughter and in song,  
It's in the silent time of prayer,  
In happiness and in despair,  
In all of life and nothing less,  
We find the thing we call success.

## Volley Ball League Men and Women

An Organizational Meeting for CAPTAINS of Volley Ball Teams desiring to participate in the Columbian Swim Club Summer program will be held in the Council Home on January 30, 1980 at 8:00 p.m. To be a Captain of a Men's team you must be a Member of Union Council 4504. To be a Captain of a Woman's team you must be a close relative of a Member of Union Council 4504, and at least 18 years of age. Players on either men's teams or women's teams must be at least 16 years of age by April 1, 1980. A close relative is defined as, Father, Husband, Brother. Any questions may be directed to Art Reinhard at 686-4504.

## Telephone

A cordial welcome to new Team Captains brothers Henry Labay and Bill Heady. Henry — 688-8023, has been assigned to Team #11 consisting of brothers Anthony Ciallella, Otto P. Sr. and Otto P. Jr. Cipolla, Theodore P. Cipolla, George R. Clark, Wallace M. Clarke, Anthony Colaneri, James J. Colangelo, James C. Cahill and Edward W. Cole.

Bill Heady — 964-3263, will be a substitute Captain handling Team #43 while brother Bob Sieben is hospitalized. This team is made up of brothers Stephan M. Manca, Leonard A. Manzie, Edward J. Marcle, David N. Miller, John Pacheco, Anthony J. Martin, Victor Marzarella, Gerald Marzocca, T.A. Lynch and Richard A. Matarante. We would like to see more brothers come forward and volunteer as Telephone Captains since we are anxious to experiment with a staff of substitutes to hold in reserve. With an adequate staff we could use a substitute whenever a regular Captain is not available due to illness, vacation, etc. As it is now, the Co-Chairmen sometimes are required to call two and three lists in order to cover all 81 Teams. Please help us out. Remember brothers, this is one of the Corporal Works of Mercy — comforting the sorrowing. When we visit one of our deceased brothers we show the family that we care. This is doing God's work.

Have a happy and prosperous New Year.

## "The Role of the Christian in the Modern World"

1. The modern world in which we find ourselves is very complex and changing. The scientific progress, the technological achievements of the day point to greater ones in the future.

Living conditions have made prodigious advances and we enjoy standards of living unknown to earlier generations. There is such advance in knowledge every few years as in physics, medicine, chemistry, electricity, space, the stars, planets.

In spite of all these wonders of the modern world, there are signs of fierce tragedy in the abject poverty of starving millions in underdeveloped countries, of social conflict, racial disturbances, which threaten to lead the future world to catastrophe and destruction. Then there is the threat of nuclear war hanging over our universe, which a spark could ignite and the ensuing atomic explosion could reduce our cities and countries to ashes.

## Grand Knights Column

Julius Kiss

It hardly seems possible but here we are once again starting a new year and a new decade. The decade which has passed has seen a tremendous growth in our council. We have experienced growing pains and attitudes that cannot always be called fraternal.

As we begin the new year, let us all resolve to grow in a spirit of true brotherhood.

The activities under the program director for the next six months will be as varied as those that have passed. The future of our council is in your hands as well as in the hands of the officers, and we must go ahead with our charitable works, Catholic activities and the recruitment of new members.

Start the new year on the right foot by participating in our First Friday series on January 4.

On January 18, all swim club members should attend the annual Swim Club Meeting.

Tuesday, January 22, will again find us busing to Washington, D.C. to participate in the Annual Right to Life March.

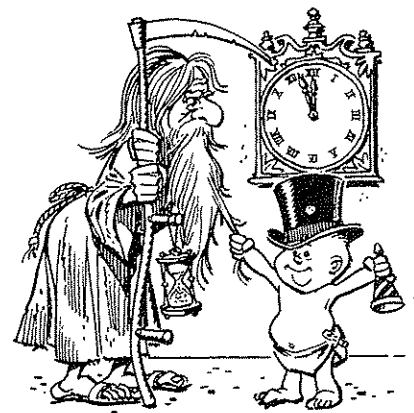

A trip to the "Ice Capades" has been planned for January 27. Call Lonny Pannucci at 763-0613 for information and reservations.

On Friday, February 1, our fifth annual Communion Supper will be held. This will be co-sponsored with the Catholic Daughters. It will begin with Mass at 7:30 p.m. The celebrant and principal speaker will be his Excellency Archbishop Peter Gerety.

A special thanks to Mike Ward and the members of his committee for the tremendous job they have done with Youth activities, handling such diverse events as Essay Contests, Halloween Party, Basketball Freethrow, Children's Christmas Party, Spelling Bee, etc.

HAPPY NEW YEAR TO ALL!

## UNION COUNCIL 1980 BOWL GAME

The National Bowling Tournament returns to New Jersey in 1980! This is the first time the event has been in the Garden State in fifteen years. Union Council is privileged to be selected as the Host council. In order to make this an exciting and memorable tournament, there is a need for participation by our brother Knights and their families.

As stated in the December Digest, there are many specific committees in need of help in this project. To be ready for our opening day, March 15, 1980, your **assistance is requested now**. If you can help in any of the following categories, please contact the chairman indicated, so he can coordinate his plans and assemble committees in advance.

### Scorekeepers and Substitute Bowlers

A large number of scorekeepers will be required during the tournament. Men or women over sixteen years of age who are capable of keeping bowling scores can qualify. A scorekeeping refresher course will be held.

Substitute bowlers will be needed from time to time to fill in vacancies on teams. A sub must be a Knight of Columbus in good standing and not have an average greater than 164. Anyone wishing to serve as a scorekeeper or sub, please contact Henry Skarbek, P.G.K. at 761-5274.

### Novelty Sales and Bowling Ball Raffle

Help will be needed at both Hy-way Bowl and Four Seasons to sell novelties and chances at the Saturday and Sunday sessions.

### Ball Checking

A few men will be needed to check the bowling balls overnight for our visiting guests.

If you are available to help in the Novelty Sale, Raffle or Ball Checking, please contact Roger Schur at 245-6605.

### Waitresses

Saturday evenings, 5:00 p.m. to 9:00 p.m., ladies will be needed to serve dinner prepared by our kitchen crew. Anyone who can lend assistance, please call Kenneth Pinney, P.G.K. at 686-5650.

### Kitchen Staff

Our chefs will require assistance in the preparation of food. If you have a desire to work in the presence of these experts in culinary arts, call Joseph Gluck at 686-4642 or Milton Rij at 688-2759.

Your cooperation in this tournament will enhance the image of Union Council as a hospitable and congenial host. The degree of success that can be achieved depends entirely on your **participation**.

Attendees of a recent National Bowling Tournament Meeting. Front row Jim Schaefer Executive Director Union Chamber of Commerce, Andy Popp Tournament President, Milford Trojan of Utica, N. Y. National Administrative Assistant, Jim Moran. Back row Henry Mey, Tom Hornig, Jim Johnson, G.K. Julius Kiss, Roger Schur.

## CHRISTIANS IN THE MODERN WORLD

(Continued from Page Two)

2. Not only is man's outlook on the physical and material changes affected, but he is all the more confused in the area of morality and ethics. The standards of morality have suffered a serious breakdown and are worse than in pagan times. The commandments of God are not known and observed. People do not distinguish between freedom and license; contempt of law, human and divine, is rampant. People want independence from authority, this beginning in the home. They alone want to be judge of what is right or wrong and deem it an interference upon their freedom of conscience if anyone should try to impose restrictions on their behavior.

As a consequence, marriage has lost its sacred character, promiscuity and divorce have become most common, millions of the unborn are murdered and massacred every year, etc.

3. But the follower of Christ is not isolated from the social conditions in the world. He is affected adversely by social injustices, by prejudices of race and conditions of life, he is affected by the greed of those who trample on the rights of the weak and poor. The Catholic is part of the scene on which is played a fierce game of success or failure. He cannot hide himself while around him his brother is starving to death, immorality is rampant, life is no longer sacred, the unborn are massacred by the millions, etc.

4. Because Christians are hopefully

citizens of heaven to which they aspire, they must not forget that they are, also, and first, citizens of this world towards which they have duties and responsibilities. To be a Christian is not to deny one's social or economic status in the world.

A Christian should disapprove of those who willfully break the laws of God, but this disapproval does not mean that he should so separate himself as though it were no concern of his. God has made the Christian his brother's keeper. This means we should hold out a helping hand toward all those whose weakness and human nature we share.

5. The Christian's attitude toward human sinfulness, suffering and injustice must really be a compassionate resolve to do all in his power to remedy situations that cause human pain and unhappiness by devoting himself, as much as circumstances allow, to the services of his fellow man. God has placed us in this world to help correct or dispel evil and bring the world back to Him. If the Christian shuts himself from the world, how can he be of any use to God, Who so loved the world as to give His only Son to save it?

The indifference of a Christian to the welfare of his fellow man becomes a positive refusal to serve God. Christ has declared that on the last day, man will be judged by his service to his fellow man, because service to his fellow man is an expression or mark of his love for God. **"Anything you did for one of my brothers here, however humble, you did it for me, etc."** (Matt. 25-31.)

## Chaplain's Corner

Rev. Ed Swierzbinski

I told this true story at a meeting but I think it's important enough to repeat here. One day the Protestant Chaplain and I decided to cruise through the Emergency Room of College Hospital. As we came through a corridor in X-Ray we saw a lady obviously influenced by alcohol — not beligerent but talking and weaving somewhat — she was dressed in a white uniform and was neat in appearance — it was hard to figure her age.

As we came near — she called us Reverend and turned to me — I, without thinking, said, "Elder Pearson is in charge." She said, "**You are not Jesus!**" I wondered what she meant and must have looked puzzled — she continued, "Jesus loves me just as I am."

Thinking of that — "Jesus loves me as I am," I gulped and apologized — and spent forty-five minutes with her.

I felt that I had experienced something great. I, at my age and experience, learned something. What a beautiful truth — JESUS LOVES ME AS I AM. That goes for you and for me. We can change — Jesus is constant. Jesus loves you and me. No matter what we do — no matter where we wander — we can return — Jesus is constant — never changes. He loves us and wants to forgive us. We can overcome our own weakness — we can love others — and love them as they are. The greatest place to share this love is in the Sacrifice of the Mass. We meet Jesus in all of the Sacraments and, especially, in Holy Communion. Love yourself properly then love your neighbor and your neighbor is the person next to you. May this be a spiritual, refreshing and peaceful New Year. See you on First Friday.

## Vocations — Everybody's Business Part Three

The plants in our garden of vocations must have the proper climate in order to grow strong. Part of this is within ourselves, and the second part is of a more public nature. Personal prayer is a motivation each of us has a control over. We must constantly pray that we can be instruments to inspire young men and women into the service of God. Use the Vocation Prayer that is available at our Council meetings. Make this a regular part of your prayer life, and encourage your family to do the same. On the public aspect, your taking part in pro-life, anti-pornography and community service programs helps improve our social and spiritual climate. All these work towards providing the kind of atmosphere in which church vocations can flourish.

The Supreme Council has given guidelines to State, District and Council levels for the administration of effective Vocation ideas. No plans can get very far without some measure of organization. We are trying to achieve a balance between too much organization and too little. If there's too much, there will be no creativity or excitement. If there's too little, there will be confusion. At the Council level, the Grand Knight is ex officio member of the Vocation Committee (as he is in all Council functions). He should have a real commitment to this effort. It is at the local neighborhood parishes that most church vocations need to be discovered and encouraged. The Chairman is the Chancellor of the Council. The Program Director and the Church Activities Director are members of the Vocation Committee, so there is cooperation with other Council programs.

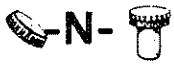

The Council Chaplain is with this group because it's a function of major spiritual importance. The spirit of this group must show their sharing of their God-given insights and sense of dedication so that they demonstrate living proof to the presence of Christ among them. We must keep in mind our prime purpose and over-riding policy ought to be that of servants and cooperators with the local Church. This means that our choice of strategies should be arrived at under the guidance of the diocese and local parishes. If we do this, we shall not have an identity crisis but rather organized people ready "for service". There will be projects which Union Council will become involved with on this matter of vocations. We hope, as your Christian and Catholic duty, you'll lend your assistance on these programs.

James Moran
