Representatives from the "**Be the Match**" bone marrow registry will also participate in our Blood Drive. This group matches possible bone marrow donors with those in need of bone marrow donations. Registration is easy and all that is required is a check swab. See our web site or visit the "Be the Match" web site, <http://marrow.org> for more details.

Anyone available to assist with this drive should contact Mike Gasser or Andy Schopfer.

MESSAGE FROM THE GRAND KNIGHT

Brother Knights and Friends of Union Council 4504

As I reflect back on the just ended Christmas season, I sense that many of the members of our Council really take the message of Christmas to heart. In the weeks prior to Christmas we had several events, small and large, which gave us the opportunity to demonstrate our commitment to charity and those less fortunate, and we clearly came through.

To begin, our Council combined with the Union Elks to sponsor the annual Christmas party for the students at Burnett school. We have supported this event for years and use some of the funds that we raise in our Special Citizens Drive to pay for the food, while the Elks donate their hall. While our actual attendance at this dinner has varied over the years, I was proud that at this year's event, Knights and their families required extra seating at the table that had been set aside for us.

The very next weekend, we sponsored the annual Camp Fatima Christmas party along with Sister Ann Domenic. Similar to the event noted above, this party honors children with special needs, and allows them and their families a few hours of pleasure and a visit with Santa to brighten their holidays. As always, a large contingent of Knights was there to assist, doing everything from helping the visitors set up the wheelchair ramps, cooking and serving, making last minute runs for the ice cream, and of course, donning the red suit for the honorees.

We continued the theme of providing for the children with the Columbiettes annual Breakfast with Santa, where our own children and grandchildren were the honorees. This year's event was a great financial success, and the sponsors immediately made a significant contribution to two charities to enhance their efforts for the Christmas season.

One of those two charities was for the Council's effort to provide gifts and fun for the students at the Deron School, a block away from our Council home. Using the funds from individual contributions and the Columbiette donation, we were able to buy gifts to be used at each of the school's 15 classes at a cost of over \$1000.00.

Finally, even our routine contribution of assisting the patients at Runnels hospital in getting to mass on Christmas had more participants than ever this year.

These are just the events that I am aware of, and that many of you have done even more to brighten the holidays. Thanks to all for what you do on behalf of others. It makes me more proud to be a Knight of Columbus, from Union Council 4504!

Vivat Jesus!

Knight of the Month

January 2012

Buddy Cotter

As noted in other articles in this Digest, our efforts to assist the students at Deron School at Christmas have grown from buying gifts for only a few students in one class to assisting 15 classes and over 130 individual students. The one constant in these efforts has been Past Grand Knight Buddy Cotter, who began this event several years ago.

He spearheads the efforts for contributions, works closely with the school to coordinate the date and time of the event, and personally obtains the lists of gifts that the students have asked for, and then purchases each of the gifts for them. By the day of the event, he has each classes gifts wrapped and organized by the teacher's names so that the actual presentation by our designated Santa goes smoothly and uneventfully.

For all of his efforts in making this event the success is was this year, we are proud to name Buddy our Knight of the Month for January.

Buddy had spent a long career in retail until just a few years ago when he successfully transitioned to a career in computer maintenance. He now works for a company located in Parsippany that specializes in providing sales computers to the pharmaceutical industry,. He is the primary help desk member for them, in addition to loading software for the representatives whenever a new release is needed for their computers. In addition, he has parlayed his computer skills to assist many Brother Knights in their families in the purchase and maintenance of laptops for their personal use.

Buddy grew up on Staten Island and obtained his degree from Baruch University in New York. He was a long time resident of Union where his two children attended school. Although he recently moved to Roselle Park, he is still seen frequently at our Council home where he serves on the Columbian Club Board, and has served as the Chairman for the past several Past Grand Knight Dinners. He enjoys golfing in his spare time, and has been known to assist the struggling economy by visiting Atlantic City and Las Vegas when he gets the opportunity.

Congratulations Buddy!

Knights Provide a "Merry Christmas" to Deron School

Thank you to all of the Knights and Columbiettes who donated this year and enabled us to send Christmas gifts to all the students of the Deron School in Union.

In our first year we purchased gifts for just 1 class of 7 students. It has grown to 15 classrooms totaling 132 students making this year our biggest struggle to collect the amount of donations necessary, but with the help of so many of you we once again were successful.

I would like to thank Andy Schopfer, Alex Costa, Joe Burlew, Steve Ruhl, Frank Santangelo and Rob Salvatore for playing the part of the "elves" and a special "Thank You" to Mike Scanlon and Kelly Scanlon for playing Mr. & Mrs. Santa Claus. I hope this tradition we started never fades away.

Thanks again to everyone for your time and support.
Buddy Cotter, PGK

Chili Cook Off

On **Saturday, February 11th**, the Columbian Club will again be sponsoring a chili cook off to determine the best Chili Chef in the area. Participants should bring their entries to the Council by 1:00 PM, warmed and ready to serve. The judging will start shortly thereafter.

Visitors should bring their appetites so that the judge's choices can be affirmed!

Prizes will be awarded!

For more information, contact Vice President Mike LoGuidice.

Build a Doll House

Union Knights and Columbiettes would like to invite all children to join us on **Saturday January 14, 2012** at 10:00 AM to help build a doll house which will be donated to the Tricky Tray.

Brother Knight John Esposito has been building custom doll houses for many years and will donate his time, talent and the doll house for this activity.

A parent or guardian must accompany and stay with the child during this activity.

The State of Disability in America

Continued economic volatility, Rising home foreclosures. Eroded retirement accounts. Stubbornly high unemployment. The struggle for financial security and independence. Personal bankruptcies These conditions have heightened American workers' need for a reliable stream of income. Yet, many workers are not protected from income by savings, private insurance or government programs.

Just consider these facts about disability in America.

Over 1 in 4 of today's 20-year-olds will be disabled before they retire.

8.5 million disabled U.S. wage earners were receiving Social Security Disability Insurance (SSDI) benefits at the close of September 2011.

90% of new long-term disability claims are caused by illness rather than accidents. Fewer than 5% are work related.

The average long-term disability claim lasts for 31.2 months

New applications for Social Security Disability Insurance (SSDI) benefits increased 27% from 2008 to 2010.

About 100 million workers are without private disability income insurance.

Christmas Party for Camp Fatima

Sister Ann Dominic from St. Michael's Parish in Union hosted her annual Christmas Party for the children who attend Camp Fatima at our Council in December. Sister Ann was helped by of our some of our Brother Knights and her many volunteers to provided these children an afternoon of music, dancing, food, fun, and of course a visit from Santa. For over 40 years, Camp Fatima's Summer Camp has provided a special place for children 5 -19 with developmental disabilities .

Campers are offered the chance to pick from one of the week-long sleep away sessions in August. There is no charge for campers to attend Camp Fatima, and ALL staff members are volunteers. Additionally, adults with disabilities are treated to a similar experience at 4 Camp Fatima Adult Weekends.

Funds raised by Sister Ann from her annual Valentines Dinner Dance at our Council help provided the funds for this party and other events at Camp Fatima. For more information about Camp Fatima, or how to make a donation to them, please go to www.campfatimanj.org . Or contact Sister Ann at St. Michael's Church.
